Directions by road

Leave the M11 motorway at Junction 8 and join the A120 westbound to Bishops Stortford. Turn left towards the town centre on the A1250 Dunmow Road. Continue for approximately 2 miles until you come to a set of traffic lights at a crossroads.

Turn left at the traffic lights onto London Road, continue for about ½ mile, then turn right at the mini roundabout and go over the railway bridge and the River Stort. Follow London Road, passing a white painted public house, (the Tanners Arms), on your left and the Bull's Head public house on your right. You will soon come to a mini roundabout with a Total petrol station and Budgens store to your right. Keep left at this roundabout, still on London Road. After 100 yards you will come to traffic lights. Turn left into Twyford Business Centre, then left again. Photonic Products is on the right.
